

Announcing Two New JVs From Sealaska & Tetra Tech

Two new Joint Ventures have been formed by Sealaska Remediation Solutions (SRS) and Tetra Tech to focus on providing mission critical services for all aspects of Environmental Services. We've combined our experience and expertise to help our U.S. Federal clients respond to today's unique environmental challenges in innovative ways.

(STARS) is an SBA-certified 8(a) small business joint venture and is immediately available for all qualified sole source and competitive contract awards.

Primary NAICS 562910 | UEI: LL7SUYFHZ9C7 | CAGE: 9PKU9

(SRP) is a small, Alaska Native Corporation (ANC)-owned joint venture and is immediately available for all qualified competitive contract awards.

Primary NAICS 562910 | UEI: CWTZCL8TH4Z5 | CAGE: 9LP39
